

Bench seating range

Shoe shelf seat

Our customisable bench seating range includes traditional timber bench seats, shoe shelves and custom ottomans that can be made to any length or shape with a variety of material options.

STANDARD CONSTRUCTION

Polished 90mm Tasmanian Oak slats with matching E1 Laminex end panels and ABS edge.

Shelves are designed to fit shoes up to 37cm in length.

Choose any natural timber or composite slats for your bench seat.

Seats can be made to any length, width or height.

Select any commercial finish for shelves and edging.
