

## Accessible lockers

# ALP2

The first of their kind, our accessible lockers are the right width, depth and height to ensure optimal usability. Designed for wheelchair and walking frame users. Designed for people with vision impairment. Designed for people with low mobility. The only DDA compliant, accessible DDA locker for the office or change rooms.

### STANDARD CONSTRUCTION

**BODY** E0 white or black HMR particle board with matching ABS edge

**DOORS** Laminex or Polytec laminate with matching ABS edge

**ACCESSORIES** Key lock, black pull handle and number tag for the standard locker & an accessible sign and d-pull handle for the DDA locker

### POPULAR USES

Gymnasiums

End-of-trip

This product meets the requirements of the federal Disability Discrimination Act 1992 (DDA) and applicable Australian Building Standards.

Ventilation at the back of the unit keeps lockers fresh.

Includes accessible signage and D-pull handle.

The accessible locker features a removable shelf to meet DDA requirements.

Choose from our range of accessible DDA compliant locks including digital and smart locks.

Select any commercial finish for doors, kickers, bulkheads and end panels.
